Judges Instruction

- **Criteria is scored as a total scored**
- **All criteria points awarded are from 1-10**
- **Scores are determined by the judges educated opinion based on the specifics of each criteria**

Level of Difficulty

- The complexity of the design is evaluated on it's degree of expertise.
- Is the art executed without any elaboration (simple) or is there more difficulty and expertise put into the making of the design.

Composition

- How the complete design is put together
- The design should flow from each nail so that the eye is drawn from nail to nail.
- The nails individually represent the complete design but also represent the entire design.

Balance

- The design should not be too busy or too sparse.
- The art should look evenly balanced on each nail and from nail to nail.
- There should not be large portions on the surface of the nail left without design.

Use of Color

- The colors chosen should complement the design and flow throughout or graduate through all 10 nails.
- The colors should complement while still showing contrast.

Continuity of Theme

- The theme should be carried through the design in some manner on each nail.
- The design should compliment and have continuance from nail to nail while representing the theme.

Graphic Quality

- Are the graphics created with dimension or they appear flat.
- There should be dimension in the artwork.

Judges Criteria

Clarity of Design

- Is the design apparent and identifiable?
- Can you identify what you are looking at on each nail?

Originality

- The theme or design should be something you have not seen before.
- If seen before, done in a manner that is in a new creative and unusual use of art.
